Walk with **Purpose**. Join the **Movement**.

## Be a Sponsored Walker!

Join us for our hybrid event where we will be telling the true stories of animals that have made their way to Father John's Animal House! From April 28 - 30, we will be *LIVE* on Facebook at 3PM daily, and we will end our event with an in-person walk on May 1!

*YOU* can help Father John's raise money to continue caring for animals until they find their new home by pledging money for our sponsored walker! The three supporters who raise the most funds will take home unforgettable prizes!

**All pledges must be received by Father John's by April 30th at 4PM.**
