SPONSOR AGREEMENT FORM

Father John's Animal House is now in its 19th year of finding permanent loving homes for dogs and cats. Some of the animals that come to the shelter are owner-surrenders, some from high-kill and no-kill shelters in NJ that are overfull, and some from high-kill shelters out-of-state. FJAH takes back an animal adopted from our shelter at any time, for any reason. All of our animals are fully vetted, spayed or neutered and micro-chipped before being adopted. We hope you will consider being a sponsor to help us to continue our mission to place healthy animals in loving, permanent homes.
